<http://www.jacksonandricksn.com/>

**Jackson & Rickson** is a renowned **Trader** and **Supplier** of widespread variety of **Medication Products**.

## About Us

We at **JACKSON & RICKSON** believes in philosophy that , "**Medicine is the basic need of life that should be affordable to everyone**".

As per WHO there will be **35%** of World Population which shall be suffering through chronic diseases due to changed lifestyles and to overcome with that we would require better Health Care system.

Our vision is to be the best Healthcare Company in the segment of providing economical medicines to serve humanity. That is why we are engaged in both Allopathic as well as Ayurvedic field with best in class manufactures being the backbone of our quality in order to achieve our motto.

We aim to revolutionize healthcare system by means that are suitable to nature and mankind both.

We believe in "**HEALTH FOR ALL**".

Our Company is moved under the leadership of extremely renowned, **Mr. Anil Saini** who is having a vast experience of more than **30 years** in medical field.

Our magnificent experience enables us to supply a qualitative range of **Pharmaceutical Capsule, Pharmaceutical Tablet, Pharmaceutical Syrup, Pharmaceutical Granules,etc.** These products are made from high quality ingredients and chemicals which ensure their quality and effectiveness. Our medicines are safe to consume and offer effective results because we prepare them under hygienic environment keeping in mind their appropriate concentrations. We offer our range...
